Letter from the President

Dear Sisters,

As yet another year begins and meetings start to fill our calendars, the Indianapolis Alpha Delta Pi Alumnae Association would like to extend to you a warm invitation to enjoy the company of sisters as we continue our life long bonds of friendship. Heck, why not help us grow and bring along a fellow sister or two!

Our current executive board has set several lofty goals for this upcoming year and we need your help to accomplish them. As in years past, we would love to see our Alumnae Association membership grow; in particular, we would enjoy seeing more sisters at our monthly meetings. To help accomplish this goal, Programming VPs Donna Clossin and Lisa Matucheski have come up with several new and exciting events for this year. We hope that you can join us for pumpkin carving in October, a tour of the historic Morris-Butler house in November, and many more fun activities throughout the spring. Our executive board would also like to foster a welcoming and enjoyable sisterhood amongst our members. We will strive to have more small Pride activities to facilitate such an environment and welcome suggestions from sisters as to how we might be able to better serve the needs of our beloved Association. We would like to strength the bond between our Alumnae Association and our local collegiate members in Alpha Delta Pi. We hope to foster an environment of outreach and assistance to Phi (Hanover College) and Beta Alpha (Indiana University-Bloomington) to support their continued growth and prosperity. Finally, we strive to encourage our association members to participate in philanthropic activities by providing information of current volunteer opportunities in the community, as well as organizing philanthropic activities with local organizations when possible.

As an executive board, we strive to meet the ever evolving needs of our Alpha Delta Pi Alumnae sisterhood. Our hope is that this dynamic group of women continues to be open to new ideas and provides an environment for comfortable, yet engaging, discussion amongst sisters. I would like to encourage sisters that are interested in taking on a leadership role within the organization to think about assisting one of the current vice presidents or chairing a philanthropy event. There are many ways to be involved with our cherished organization that go beyond our monthly meetings. We hope that you will be able to attend our upcoming activities and continue to strengthen your lifetime membership in our beloved Alpha Delta Pi.

Ren M. Seidel
Alpha Delta Pi Alumnae Association President
